Opis produktu

Wersja językowa książki - angielska.

Boost your Chess 2 continues [Yusupov's Beyond the Basics series](#). The Fundamentals series shows players the basic ideas they should know, then the Beyond the Basics series sets off on the road to mastery. Yusupov guides the reader towards a higher level of chess understanding using carefully selected positions and advice. This new understanding is then tested by a series of puzzles.

Grandmaster Artur Yusupov, from Germany, was ranked No. 3 in the world from 1986 to 1992, just behind the legendary Karpov and Kasparov. In recent years he has mainly worked as a chess trainer with players ranging from current World Champion Vishy Anand and many other top grandmasters, to talented juniors and local amateurs in Germany.
