### Opis produktu

**Wersja językowa książki - angielska.**

Chess Praxis is a superb collection of Aron Nimzowitsch's best games annotated by the great man himself, but it is even more than that. Nimzowitsch and his hypermodern ideas had a huge influence on modern chess thinking. Nimzowitsch first expounded his views in My System. In his follow-up Chess Praxis he demonstrated and explained how his concepts worked in his own games.

This is a completely new translation of Nimzowitsch's classic work, which will allow the reader to appreciate influential ideas explained in modern language.

[Aron Nimzowitsch](#) was one of the greatest chess players of the 1920s and 1930s, ranked just behind the famous World Champions Alekhine and Capablanca. His reputation as an author is higher still.

**ISBN:** 978-9185779000 - 224 pages - 15 July 2007

### Reviews

"A new translation of Die Praxis Meines System is to be welcomed... A postscript by Jacob Aagaard and John Shaw enhances this definitive version"

**Bernard Cafferty, British Chess Magazine** ([full review](#))
